# Colin**LEVERGER**

Scala & DevOps Engineer

## Address
13th arrondissement
75013 PARIS
FRANCE

## Tel & Skype
+33 (0)633 504 722
colin.leverger5

## E-Mail
**colinleverger@**
mailbox.org

## Web & Git
colinleverger.fr
lnkdin.me/cleverger
github/ColinLeverger

## Languages
**Main**:
*Scala*: 3+ years
*Java*: 4+ years
*Bash/Unix*: 4+ years
**Experienced**:
*HTML/CSS*: 3 years
*PHP*: 2 years
*JavaScript*: 2 years
**Used in the past**
*C*: 1 year
*SQL*: 1 year
**Interests & curiosity**
*Python, R*: few projects

## DevOps exp.
*Jenkins*: 3+ years
*Docker*: 3+ years
*Ansible*: 1+ year
*OpenStack*: 1+ year
*JMeter*: 1 year

## Personal skills

## Experience

09/14 - Now **Apprentice Software Engineer** Orange Labs Products & Services, Cesson Sévigné - FRANCE
Apprenticeship to develop software in *Scala* following a *DevOps* methodology in a team of 14 Metrology experts.
Final Project: dev. of *Machine Learning* algorithms in the *Capacity Planning* speciality; use of *Scala*, *Spark*, *Elasticsearch*, *Logstash*, *Kibana*, *R*...

02/15 - Now **Systems and network engineer** On my own - FRANCE
Management of my dedicated server; use of *Docker* to manage virtual hosts and services, *Jenkins* to do some *DevOps* and deploy some websites automatically.

04/14 - 07/14 **Internship** Athlone Institute of Technology, Athlone - IRELAND
Three months end-of-course internship; preparation of project subjects for students. Worked with *Arduino*, *Java*, *HTML/CSS*, *PHP* and *C*; what I did is now used in Athlone Institute of Technology.

## Higher education

09/16 - 02/17 **ERASMUS** Roskilde University, Roskilde - DENMARK
5 months abroad, ERASMUS exchange in Denmark for the last academic semester of my Master Degree.
Main subjects: IT-architecture and user driven software design, Security, Big Data, Danish.

09/14 - 09/17 **Master 2 Degree in Computer Engineering** E.N.S.S.A.T., Lannion - FRANCE
Curriculum Networking, Multimedia & Computing Science.
Main subjects: Network Applications, Systems Architecture, Design of Services & of User Interfaces.

2012 - 2014 **Two year Undergraduate University Degree of Technology in Electronics and Computing** Université de Rennes 1, Rennes - FRANCE
Main subjects: Programming, Microchip, Telecommunication, Digital and Analogic Electronics.

## Certifications

07/16 - Now **Scala Specialization** Coursera, E-learning
Learning Functional paradigm with the Scala language. The course is complemented by a series programming projects as homework assignments.

01/17 - Now **Google Cloud Platform Specialization** Coursera, E-learning
Learning Google Cloud Platform: SDKs & CLI, VMs management, Scalability, ...

## Skills

Computing
**Paradigms**
Functional, imperative, object-oriented, concurrent programming, real-time programming
**Notable tools**
Scala sbt, Play Framework, Git, Jenkins, Ansible, OpenStack, Docker, texmaker, IntelliJ, MySQL, mongoDB, xampp, SSH, Neo4j, Gephi, Jmeter, Gatling, Spark, ELK

Hobbies
**Music** **www.youtube.fr/colinleverger**
Guitarist / Bassist / Singer, had several bands
**Sports**
Kayaking / Swimming / Long hikes / Badminton

Languages
**French**
Native
**English**
Fluent & good technical skills - B2 level
